- ² Primary cardholders ("**Cardholders**") with an RBC Visa Infinite Privilege or an RBC Visa Infinite Privilege for *Private Banking* card (each, an "**Eligible Credit Card**") have access to participating lounges within the Visa Airport Companion Program ("**Program**"), hosted and managed by DragonPass International Ltd. ("**DragonPass**"). Cardholders must enroll for this benefit through either the Visa Airport Companion App (available to download for free) or on the Program Website (visaairportcompanion.ca) using their Eligible Credit Card. Enrollment for the Program must be completed using the Cardholder's First and Last Name as set out on their respective Passport (or other government issued ID used for travel within Canada), as it will be required for verification when the Cardholder is attempting to access their lounge benefits. Upon enrollment, six (6) complimentary lounge visits will be available for the Cardholder per membership year; the complimentary visits can be used by the Cardholder for themselves and for their accompanying guests. All additional visits beyond the complimentary visits are subject to a fee of \$32 USD (subject to change) per person, per visit. Applicable lounge access charges will be billed to the Eligible Credit Card connected to the Cardholders' Program membership. Membership includes access to any airport lounge participating in the Program. Once the Cardholder has enrolled in the Program, the Cardholder may use one of three (3) ways to access their lounge benefits: (i) present their valid Eligible Credit Card; (ii) show their digital membership card and QR Code within the Program App or Website; (iii) present their printed or emailed e-Certificate containing the membership card and QR Code. The Program membership will be suspended if the Eligible Credit Card is cancelled or inactive, is no longer linked to the Program membership, or if the Cardholder's Eligible Credit Card is no longer a product participating in the Program. It is the responsibility of the Cardholder to ensure their Eligible Credit Card details are updated within the Program if there are any changes. If the Cardholder is using a printed or emailed e-Certificate as their method of lounge access, they will need to obtain a new e-Certificate if there are any changes to their Eligible Credit Card details. Unless suspended or cancelled, the Program membership and any included complimentary visits will automatically renew annually on the anniversary date (i.e. when the Cardholder enrolled in the Program). The Program membership may be suspended if your Eligible Credit Card is no longer in good standing. To view a full list of participating airport lounges, their facilities, opening times and restrictions, Cardholders can visit the Program App and Website for more information. Enrolled Cardholders are subject to Terms and Conditions for the Global Airport Lounge Access Program and the individual lounge operators' terms of use for the participating lounges visited, available through the Program App and Website. The Program Terms and Conditions will be presented to Cardholders during enrollment and will also be sent to the Cardholder via email once enrollment is complete. In addition to lounge access, enrollment in the Program will also allow Cardholders to access additional benefits and offers. To view a full list of benefits and offers available for the Cardholders' Eligible Credit Card, Cardholders can visit the Program App and Website for more information. Cardholders who participate in or use any of the benefits or offers presented through the Program are subject to the relevant Terms and Conditions for the applicable benefit or offer, as outlined in the Program App and Website.
